

## NASSLEO SCHOLARSHIP PROGRAM 2008

The National Association of School Safety and Law Enforcement Officers was established to foster, promote and develop among its membership, the profession of security in our educational institutions. It is our belief that there is no better way to ensure the long-term sustainability of this endeavor than to provide financial assistance to graduating high school seniors who might consider school security and/or law enforcement as a career.

**PURPOSE:** To provide financial assistance to students who have chosen to further their education and are considering a career in school security and/or law enforcement.

**CRITERIA:** Candidates for this award must be:

A graduating senior from a public high school

Will be attending an accredited college or university and has not received a full scholarship

Outstanding in the area of citizenship and community service

Nominated by a faculty member of the school that he/she attends.

Please see page 2. for nomination directions.

**IMPLEMENTATION:** Regional directors shall be responsible to implement the scholarship program throughout their respective areas. On **February 1**, the executive director will send an implementation reminder to the regional directors. By **February 15**, the regional directors will notify the NASSLEO members in their respective areas of the opening of the scholarship nomination period and ask that they seek qualified nominees. They shall also request that the members return all completed nomination packets to them **by April 1**. The regional directors shall forward the completed scholarship applications to the Executive Director by **April 15**. Please forward only the top three nominations. The Executive Director will forward the packets to the Scholarship Committee Chair and the 3 - member Scholarship Committee. The committee will select **one** individual student from each region for the award. The Committee Chair will forward the names of the regional winners to the executive director by **May 1**. The executive director will inform the regional director of the names of the award winners, who shall then notify the nominating teacher/administrator by **May 15**. **NOTE:** The awarded student must forward verification of enrollment to an accredited college/university to NASSLEO'S executive director. The scholarship check will be made out to the college or university on behalf of the student once verification of enrollment has been confirmed.
